Subject: WSA Planning Information for RD&E Senior Team

Dear Kevin and Roger:

Valerie and I just finished a meeting with Pete Greenberg who inputs the WSA Planning information into the RD&E Work Plan.

One of the RD&E strategic initiatives which also appears on the Operations Strategic Plan is entitled "We will identify and utilize a regulatory or alternative framework to guide our operations." The RD&E Staff Accountable is Solana with Walk/Osborne identified as the Program/Project Accountable.

Now to my point. Do either one of you have a specific project(s) that can be listed under this "We will" that will give the RD&E senior management some information of what this will entail.

Thanks for your help. If you have any questions, just let me know.

Thanks,
-L
